### **Science Development Foundation has participated in Presentation Ceremony of the Digital Trade Hub**

On June 30, 2017, the Baku Business Center hosted the presentation ceremony of the Digital Trade Hub jointly organized by the Center for Analysis of Economic Reforms and Communication (CAERC) and the Azerbaijan Entrepreneurs Confederation. Director of CAERC Vusal Gasimly, deputy minister Sahil Babayev, Head of Azexport portal Zaur Gardashov, President of the Azerbaijan Entrepreneurs Confederation Mammad Musayev spoke about regional and economic importance of creation of the digital trade hub for the country.

Science Development Foundation under the President of the Republic of Azerbaijan has also been invited to the presentation ceremony. The employee of the Foundation, Gunay Abbasova, addressed the question to Mr. Zaur Gardashov about the importance of the newly established trade hub for exporters.
